# Lillie Medical Center to break ground

Wichita Business Journal - by [Lainie Rusco](#)

The first tenant in the \$47 million Lillie Medical Park will begin construction March 30.

Family Health and Rehabilitation Center will break ground at 3 p.m., Friday on-site at 619 S. Maize Road.

The new, \$7 million senior care building will include a skilled nursing unit and room for 64 residents.

It's the first tenant in Lillie Medical Park, which will also include several other medical care buildings. It's being developed by Matt Lillie, president of Coldwell Banker Stucky & Associates.

Key Construction Inc. is the general contractor. WDM Architects is designing the building.
